
advisors must complete their review within one week of the graduation application submission

All

Tip: The minimum hours required to graduate is 125. If a student has taken MATH 099 OR ENGL 099, a minimum of 129 hours is required. If a student has taken both MATH 099 AND ENGL 099, a minimum of 133 hours is required.

Tip: The number of general elective credit hours required vary for each student. Elective hour totals can vary due to different major and minor combinations, double counting courses, repeats, transfer credit,
